

Ulen-Hitterdal Public School District #914 Mission

The mission of the Ulen-Hitterdal Public School District is to provide a safe positive learning environment in which all are offered the opportunity to participate, grow, and become lifelong learners.

DISTRICT GOALS FOR 2016-17

- To implement and deliver the Minnesota Academic Standards through the P-12 curriculum to improve students' skills in reading, writing, math, and science as shown by increased test scores on the MCA's and other standardized tests.
- To improve technology skills, staff and students shall improve their knowledge and embed technology in daily activities and assignments.
- To support and promote professional development that leads to instructional improvement and increased academic achievement.
- To support a comprehensive facility improvement plan over the next 3 years (2016-17 Review, 2017-18 Plan, and 2018-19 Implement) by leveraging our district resources effectively and efficiently so as to meet the long term educational and development needs of our students and faculty.
